

**MOTHER ALIPIYA ASKED:**

*“Pray for the repose of Tikhon, Vassa, Sergiy,  
Domna, Pavel and Euvfimiya  
and I will pray for you at the throne of the God”*

## Prayer to Venerable Mother Alipiya

Translated by Priest Leonid (Washington, USA)

O our venerable mother, Alipiya! In thy unwavering compassion and mercy, pour out upon us – the poor, weak and disparaged - but a small drop of thy gifts from our Sovereign Lord.

Take us under thy help and intercession, free us from all evils and severe illness, entreat the Lord that He forgive us our sins, and by thy prayers do thou raise us up, the weakened ones.

Allow us not, the unworthy servants *[insert names]* to utterly perish; be thou our refuge and help, leave us not without consolation, that we may all glorify the All-holy Name, Father, Son, and Holy Spirit, both now and ever, and unto ages of ages.

Amen.
